

GROUND ROD DRIVERS

SAFE, FAST, & EFFICIENT GROUND ROD INSTALLATION

NEW

3-IN-1 UNIVERSAL GROUND ROD DRIVER

- Safely install 1/2", 5/8", & 3/4" rods from ground level
- Slide over rod top & position anywhere along the length of ground rod
- Eliminates unsafe use of sledgehammer while atop a ladder
- Use with rotary hammer & SDS-Max drive socket for fast, easy results
- Easily install ground clamps, will not "mushroom" rod end
- Powder-coated, hardened steel for long-lasting performance
